**9<sup>th</sup> Golden Age Gymnastics Festival 2024**

---

Dear Presidents, Dear Friends,

The European Gymnastics Executive Committee and the Gymnastics for All Technical Committee are proud to invite all European Gymnastics Federations to take part in the **9<sup>th</sup> GOLDEN AGE GYM FESTIVAL (GAGF) - 2024**. This edition of the event will take place from **22<sup>nd</sup> to 27<sup>th</sup> September 2024 in Bulgaria, in the city of Burgas**.

There are only few events that give the opportunity to people from all different backgrounds and walks of life to gather in one place and celebrate their love for our sport, and the Golden Age Gym Festival is exactly that!

It has become an increasingly important event on the European Gymnastics calendar as the development and sustainability of our sport also involves providing gymnastics to people of all ages.

With the Golden Age Gym Festival we contribute to offer the senior population the opportunity to have more pleasure and be healthier through Gymnastics, to come together from all corners of Europe to celebrate health, friendship, joy of living and... to do Gymnastics!

European Gymnastics would highly welcome the participation of a new record number of European National Federations in the event with groups of gymnasts 50+ or, at least, with observers who can then replicate the concept of the event in their country. The Local Organizing Committee (LOC) is committed to welcoming representatives from all European Federations, including especially those who have never participated in this great event.

Your support for the Golden Age Gym Festival by informing your clubs and associations via your magazine/journal or website and social networks about this important Gymnastics for All Event would therefore be highly appreciated.

Enclosed please find as well an invitation from the Organisers to the ONLINE Information Meeting to present and promote the event. This online Information meeting will take place on the 22<sup>nd</sup> of September 2023 at 2 p.m. (CET). Please help us spread the information about this online information meeting to ensure many participants!

The town of Burgas is looking forward to welcome you next year!  
We count on your support and thank you already in advance for your co-operation.

Yours sincerely,

**European Gymnastics**
